2.1 *Place of Meetings*

Meetings of stockholders of **KEO WORLD, INC.** (the "**Company**") shall be held at any place, within or outside the State of Delaware, determined by the Company's board of directors (the "**Board**"). The Board may, in its sole discretion, determine that a meeting of stockholders shall not be held at any place, but may instead be held solely by means of remote communication as authorized by Section 211(a)(2) of the Delaware General Corporation Law (the "**DGCL**"). In the absence of any such designation or determination, stockholders' meetings shall be held at the Company's principal executive office.

2.2 *Annual Meeting*

An annual meeting of stockholders shall be held for the election of directors at such date and time as may be designated by resolution of the Board from time to time. Any other proper business may be transacted at the annual meeting. The Company shall not be required to hold an annual meeting of stockholders, *provided* that (i) the stockholders are permitted to act by written consent under the Company's certificate of incorporation and these bylaws, (ii) the stockholders take action by written consent to elect directors and (iii) the stockholders unanimously consent to such action or, if such consent is less than unanimous, all of the directorships to which directors could be elected at an annual meeting held at the effective time of such action are vacant and are filled by such action.

2.3 ***Special Meeting***

A special meeting of the stockholders may be called at any time by the Board, Chairperson of the Board, Chief Executive Officer or President (in the absence of a Chief Executive Officer) or by one or more stockholders holding shares in the aggregate entitled to cast not less than 10% of the votes at that meeting.

If any person(s) other than the Board calls a special meeting, the request shall:

(i) be in writing;

(ii) specify the time of such meeting and the general nature of the business proposed to be transacted; and

(iii) be delivered personally or sent by registered mail or by facsimile transmission to the Chairperson of the Board, the Chief Executive Officer, the President (in the absence of a Chief Executive Officer) or the Secretary of the Company.

The officer(s) receiving the request shall cause notice to be promptly given to the stockholders entitled to vote at such meeting, in accordance with the provisions of Sections 2.4 and 2.5 of these bylaws, that a meeting will be held at the time requested by the person or persons calling the meeting. No business may be transacted at such special meeting other than the business specified in such notice to stockholders. Nothing contained in this paragraph of this Section 2.3 shall be construed as limiting, fixing, or affecting the time when a meeting of stockholders called by action of the Board may be held.

2.4 ***Notice of Stockholders' Meetings***

All notices of meetings of stockholders shall be sent or otherwise given in accordance with either Section 2.5 or Section 11.1 of these bylaws not less than 10 or more than 60 days before the date of the meeting to each stockholder entitled to vote at such meeting. The notice shall specify the place, if any, date and hour of the meeting, the means of remote communication, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, and, in the case of a special meeting, the purpose or purposes for which the meeting is called.

2.5 ***Manner of Giving Notice; Affidavit of Notice***

Notice of any meeting of stockholders shall be given:

(i) if mailed, when deposited in the United States mail, postage prepaid, directed to the stockholder at his or her address as it appears on the Company's records; or

(ii) if electronically transmitted as provided in Section 11.1 of these bylaws.

An affidavit of the Secretary or an Assistant Secretary of the Company or of the transfer agent or any other agent of the Company that the notice has been given by mail or by a form of electronic transmission, as applicable, shall, in the absence of fraud, be *prima facie* evidence of the facts stated therein.

2.6 ***Quorum***

Except as otherwise provided by law, the certificate of incorporation or these bylaws, at each meeting of stockholders the presence in person or by proxy of the holders of shares of stock having a majority of the votes which could be cast by the holders of all outstanding shares of stock entitled to vote at the meeting shall be necessary and sufficient to constitute a quorum. If, however, such quorum is not present or represented at any meeting of the stockholders, then either (i) the chairperson of the meeting, or (ii) the stockholders entitled to vote at the meeting, present in person or represented by proxy, shall have the power to adjourn the meeting from time to time, in the manner provided in Section 2.7, until a quorum is present or represented.

2.7 ***Adjourned Meeting; Notice***

Any meeting of stockholders, annual or special, may adjourn from time to time to reconvene at the same or some other place, and notice need not be given of the adjourned meeting if the time, place, if any, thereof, and the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such adjourned meeting are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the Company may transact any business which might have been transacted at the original meeting. If the adjournment is for more than 30 days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

2.8 ***Conduct of Business***

Meetings of stockholders shall be presided over by the Chairperson of the Board, if any, or in his or her absence by the Vice Chairperson of the Board, if any, or in the absence of the foregoing persons by the Chief Executive Officer, or in the absence of the foregoing persons by the President, or in the absence of the foregoing persons by a Vice President, or in the absence of the foregoing persons by a chairperson designated by the Board, or in the absence of such designation by a chairperson chosen at the meeting. The Secretary shall act as secretary of the meeting, but in his or her absence the chairperson of the meeting may appoint any person to act as secretary of the meeting. The chairperson of any meeting of stockholders shall determine the order of business and the procedure at the meeting, including such regulation of the manner of voting and the conduct of business.

2.9 ***Voting***

The stockholders entitled to vote at any meeting of stockholders shall be determined in accordance with the provisions of Section 2.11 of these bylaws, subject to Section 217 (relating to voting rights of fiduciaries, pledgors and joint owners of stock) and Section 218 (relating to voting trusts and other voting agreements) of the DGCL.

Except as may be otherwise provided in the certificate of incorporation, each stockholder entitled to vote at any meeting of stockholders shall be entitled to one vote for each share of capital stock held by such stockholder which has voting power upon the matter in question. Voting at meetings of stockholders need not be by written ballot and, unless otherwise required by law, need not be conducted by inspectors of election unless so determined by the holders of shares of stock having a majority of the votes which could be cast by the holders of all outstanding shares of stock entitled to vote thereon which are present in person or by proxy at such meeting. If authorized by the Board, the requirement of a written ballot for the election of directors shall be satisfied by a ballot submitted by electronic transmission (as defined in Section 11.2 of these bylaws), *provided* that any such electronic transmission must either set forth or be submitted with information from which it can be determined that the electronic transmission was authorized by the stockholder or proxy holder.

At all meetings of stockholders for the election of directors a plurality of the votes cast shall be sufficient to elect. All other elections and questions shall, unless otherwise provided by law, the certificate of incorporation or these bylaws, be decided by the vote of the holders of shares of stock having a majority of the votes which could be cast by the holders of all shares of stock entitled to vote thereon which are present in person or represented by proxy at the meeting.

2.10 ***Stockholder Action by Written Consent Without a Meeting***

Unless otherwise provided in the certificate of incorporation, any action required by the DGCL to be taken at any annual or special meeting of stockholders of a corporation, or any action which may be taken at any annual or special meeting of such stockholders, may be taken without a meeting, without prior notice, and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted.

Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for such meeting had been the date that written consents signed by a sufficient number of holders to take the action were delivered to the Company as provided in Section 228 of the DGCL. In the event that the action which is consented to is such as would have required the filing of a certificate under any provision of the DGCL, if such action had been voted on by stockholders at a meeting thereof, the certificate filed under such provision shall state, in lieu of any statement required by such provision concerning any vote of stockholders, that written consent has been given in accordance with Section 228 of the DGCL.

2.11 ***Record Date for Stockholder Notice; Voting; Giving Consents***

In order that the Company may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, or entitled to express consent to corporate action in writing without a meeting, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board and which record date:

(i) in the case of determination of stockholders entitled to notice of or to vote at any meeting of stockholders or adjournment thereof, shall, unless otherwise required by law, not be more than sixty nor less than ten days before the date of such meeting;

(ii) in the case of determination of stockholders entitled to express consent to corporate action in writing without a meeting, shall not be more than ten days after the date upon which the resolution fixing the record date is adopted by the Board; and

(iii) in the case of determination of stockholders for any other action, shall not be more than sixty days prior to such other action.

If no record date is fixed by the Board:

(i) the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held;

(ii) the record date for determining stockholders entitled to express consent to corporate action in writing without a meeting when no prior action of the Board is required by law, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Company in accordance with applicable law, or, if prior action by the Board is required by law, shall be at the close of business on the day on which the Board adopts the resolution taking such prior action; and

(iii) the record date for determining stockholders for any other purpose shall be at the close of business on the day on which the Board adopts the resolution relating thereto.

A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting, *provided* that the Board may fix a new record date for the adjourned meeting.

2.12 ***Proxies***

Each stockholder entitled to vote at a meeting of stockholders or to express consent or dissent to corporate action in writing without a meeting may authorize another person or persons to act for such stockholder by proxy authorized by an instrument in writing or by a transmission

permitted by law filed in accordance with the procedure established for the meeting, but no such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period. The revocability of a proxy that states on its face that it is irrevocable shall be governed by the provisions of Section 212 of the DGCL.

2.13 *List of Stockholders Entitled to Vote*

The officer who has charge of the stock ledger of the Company shall prepare and make, at least 10 days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. The Company shall not be required to include electronic mail addresses or other electronic contact information on such list. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting for a period of at least 10 days prior to the meeting: (i) on a reasonably accessible electronic network, *provided* that the information required to gain access to such list is provided with the notice of the meeting, or (ii) during ordinary business hours, at the Company's principal executive office. In the event that the Company determines to make the list available on an electronic network, the Company may take reasonable steps to ensure that such information is available only to stockholders of the Company. If the meeting is to be held at a place, then the list shall be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present. If the meeting is to be held solely by means of remote communication, then the list shall also be open to the examination of any stockholder during the whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of the meeting. Such list shall presumptively determine the identity of the stockholders entitled to vote at the meeting and the number of shares held by each of them.

Article III DIRECTORS

3.1 *Powers*

Subject to the provisions of the DGCL and any limitations in the certificate of incorporation or these bylaws relating to action required to be approved by the stockholders or by the outstanding shares, the business and affairs of the Company shall be managed and all corporate powers shall be exercised by or under the direction of the Board.

3.2 *Number of Directors*

The number of directors shall be determined from time to time by resolution of the Board, *provided* that the Board shall consist of at least three (3) directors. No reduction of the authorized number of directors shall have the effect of removing any director before that director's term of office expires. The Chairman of the Board will be Paolo Fidanza. In the event of a deadlock between the Directors, the Chairman of the Board will have the tie-breaking and veto vote.

3.3 ***Election, Qualification and Term of Office of Directors***

Except as provided in Section 3.4 of these bylaws, a Director shall remain in office until s/he has resigned or been removed by a majority of the shareholders at a meeting of the shareholders. The Chairman of the Board may only be removed with a vote by a supermajority (75% or more) of the shareholders. Directors need not be stockholders unless so required by the certificate of incorporation or these bylaws. The certificate of incorporation or these bylaws may prescribe other qualifications for directors. Each director, including a director elected to fill a vacancy, shall hold office until such director's successor is elected and qualified or until such director's earlier death, resignation or removal.

3.4 ***Resignation and Vacancies***

Any director may resign at any time upon notice given in writing or by electronic transmission to the Company. When one or more directors so resigns and the resignation is effective at a future date, a majority of the directors then in office, including those who have so resigned, shall have power to fill such vacancy or vacancies, the vote thereon to take effect when such resignation or resignations shall become effective, and each director so chosen shall hold office as provided in this Section in the filling of other vacancies.

Unless otherwise provided in the certificate of incorporation or these bylaws:

(i) Vacancies and newly created directorships resulting from any increase in the authorized number of directors elected by all of the stockholders having the right to vote as a single class may be filled by a majority of the directors then in office, although less than a quorum, or by a sole remaining director.

(ii) Whenever the holders of any class or classes of stock or series thereof are entitled to elect one or more directors by the provisions of the certificate of incorporation, vacancies and newly created directorships of such class or classes or series may be filled by a majority of the directors elected by such class or classes or series thereof then in office, or by a sole remaining director so elected.

If at any time, by reason of death or resignation or other cause, the Company should have no directors in office, then any officer or any stockholder or an executor, administrator, trustee or guardian of a stockholder, or other fiduciary entrusted with like responsibility for the person or estate of a stockholder, may call a special meeting of stockholders in accordance with the provisions of the certificate of incorporation or these bylaws, or may apply to the Court of Chancery for a decree summarily ordering an election as provided in Section 211 of the DGCL.

If, at the time of filling any vacancy or any newly created directorship, the directors then in office constitute less than a majority of the whole Board (as constituted immediately prior to any such increase), then the Court of Chancery may, upon application of any stockholder or stockholders holding at least 10% of the total number of the shares at the time outstanding having the right to vote for such directors, summarily order an election to be held to fill any such vacancies or newly created directorships, or to replace the directors chosen by the directors then

in office as aforesaid, which election shall be governed by the provisions of Section 211 of the DGCL as far as applicable.

3.5 ***Place of Meetings; Meetings by Telephone***

The Board may hold meetings, both regular and special, either within or outside the State of Delaware.

Unless otherwise restricted by the certificate of incorporation or these bylaws, members of the Board, or any committee designated by the Board, may participate in a meeting of the Board, or any committee, by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and such participation in a meeting shall constitute presence in person at the meeting.

3.6 ***Conduct of Business***

Meetings of the Board shall be presided over by the Chairperson of the Board, if any, or in his or her absence by the Vice Chairperson of the Board, if any, or in the absence of the foregoing persons by a chairperson designated by the Board, or in the absence of such designation by a chairperson chosen at the meeting. The Secretary shall act as secretary of the meeting, but in his or her absence the chairperson of the meeting may appoint any person to act as secretary of the meeting.

(ii) sent by United States first-class mail, postage prepaid;

(iii) sent by facsimile; or

(iv) sent by electronic mail,

If the notice is (i) delivered personally by hand, by courier or by telephone, (ii) sent by facsimile or (iii) sent by electronic mail, it shall be delivered or sent at least 24 hours before the time of the holding of the meeting. If the notice is sent by United States mail, it shall be deposited in the United States mail at least four days before the time of the holding of the meeting. Any oral notice may be communicated to the director. The notice need not specify the place of the meeting (if the meeting is to be held at the Company's principal executive office) nor the purpose of the meeting.

3.9 ***Quorum***

At all meetings of the Board, a majority of the total number of directors shall constitute a quorum for the transaction of business. The vote of a majority of the directors present at any meeting at which a quorum is present shall be the act of the Board, except as may be otherwise specifically provided by statute, the certificate of incorporation or these bylaws. If a quorum is not present at any meeting of the Board, then the directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum is present.

A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting.

3.10 ***Board Action by Written Consent Without a Meeting***

Unless otherwise restricted by the certificate of incorporation or these bylaws, any action required or permitted to be taken at any meeting of the Board, or of any committee thereof, may be taken without a meeting if all members of the Board or committee, as the case may be, consent thereto in writing or by electronic transmission and the writing or writings or electronic transmission or transmissions are filed with the minutes of proceedings of the Board or committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

3.11 ***Fees and Compensation of Directors***

Unless otherwise restricted by the certificate of incorporation or these bylaws, the Board shall have the authority to fix the compensation of directors.

3.12 ***Approval of Loans to Officers***

The Company may lend money to, or guarantee any obligation of, or otherwise assist any officer or other employee of the Company or of its subsidiary, including any officer or employee who is a director of the Company or its subsidiary, whenever, in the judgment of the Board, such loan, guaranty or assistance may reasonably be expected to benefit the Company. The loan, guaranty or other assistance may be with or without interest and may be unsecured, or secured in such manner as the Board shall approve, including, without limitation, a pledge of shares of stock of the Company.

3.13 ***Removal of Directors***

Unless otherwise restricted by statute, the certificate of incorporation or these bylaws, any director or the entire Board may be removed, with or without cause, by the holders of a majority of the shares then entitled to vote at an election of directors.

No reduction of the authorized number of directors shall have the effect of removing any director prior to the expiration of such director's term of office.

Article IV COMMITTEES

4.1 ***Committees of Directors***

The Board may designate one or more committees, each committee to consist of one or more of the directors of the Company. The Board may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of a member of a committee, the member or members thereof present at any meeting and not disqualified from voting, whether or not such member or members constitute a quorum, may unanimously appoint another member of the Board to act at the meeting in the place of any such absent or disqualified member. Any such committee, to the extent provided in the resolution of the Board or in these bylaws, shall have and may exercise all the powers and authority of the Board in the management of the business and affairs of the Company, and may authorize the seal of the Company to be affixed to all papers that may require it; but no such committee shall have the power or authority to (i) approve or adopt, or recommend to the stockholders, any action or matter expressly required by the DGCL to be submitted to stockholders for approval, or (ii) adopt, amend or repeal any bylaw of the Company,

4.2 ***Committee Minutes***

Each committee shall keep regular minutes of its meetings and report the same to the Board when required.

Subject to the rights, if any, of an officer under any contract of employment, any officer may be removed, either with or without cause, by an affirmative vote of the majority of the Board at any regular or special meeting of the Board or, except in the case of an officer chosen by the Board, by any officer upon whom such power of removal may be conferred by the Board.

Any officer may resign at any time by giving written notice to the Company. Any resignation shall take effect at the date of the receipt of that notice or at any later time specified in that notice. Unless otherwise specified in the notice of resignation, the acceptance of the resignation shall not be necessary to make it effective. Any resignation is without prejudice to the rights, if any, of the Company under any contract to which the officer is a party.

Any stockholder of record, in person or by attorney or other agent, shall, upon written demand under oath stating the purpose thereof, have the right during the usual hours for business to inspect for any proper purpose the Company's stock ledger, a list of its stockholders, and its other books and records and to make copies or extracts therefrom. A proper purpose shall mean a purpose reasonably related to such person's interest as a stockholder. In every instance where an attorney or other agent is the person who seeks the right to inspection, the demand under oath shall be accompanied by a power of attorney or such other writing that authorizes the attorney or other agent so to act on behalf of the stockholder. The demand under oath shall be directed to the Company at its registered office in Delaware or at its principal executive office.

6.2 ***Inspection by Directors***

Any director shall have the right to examine the Company's stock ledger, a list of its stockholders, and its other books and records for a purpose reasonably related to his or her position as a director. The Court of Chancery is hereby vested with the exclusive jurisdiction to determine whether a director is entitled to the inspection sought. The Court may summarily order the Company to permit the director to inspect any and all books and records, the stock ledger, and the stock list and to make copies or extracts therefrom. (iii) **Joinder**. Except with respect to any transfer pursuant to a Public Sale or a Drag-along Sale, no transfer of Securities by a Stockholder pursuant to any provision of these bylaws shall be deemed completed until transferee or donee or other recipient executes an instrument acknowledging receipt of a copy of these bylaws.

(iv) **Transfers in Violation of these bylaws**. Any Transfer or attempted Transfer of any Securities in violation of these bylaws shall be null and void, no such Transfer shall be recorded on the Company's books and the purported Transferee in any such Transfer shall not be treated (and the Stockholder proposing to make any such Transfer shall continue to be treated) as the owner of such Shares for all purposes of these bylaws.

7.2 ***Permitted Transfers.***

Each Stockholder shall be freely entitled to Transfer any of its Securities to any Permitted Transferee, provided that if this Permitted Transferee ceases to be a Permitted Transferee, it should Transfer the Securities back to the Transferor within 5 days of the Permitted Transferee ceasing to be a Permitted Transferee. The provisions of Sections 7.1(i), 7.4 (Board Approval) and 7.5 (Tag-along Right) shall not apply to a Transfer by any Stockholder of any of its Securities if such Transfer is to a Permitted Transferee.

7.3 ***Company Restricted Transfers***

(i) Notwithstanding any other provision of these bylaws, the Company shall not, without a prior Warrantholder Consent (as defined in each Hayfin Warrant Instrument), be permitted to enter into a Transfer or series of Transfers of any of its assets comprising at least 20% of the total value of the Company's assets with one or more related parties.

(d) any Affiliate of any of the foregoing.

7.4 ***Board Approval***.

Subject to Section 7.1 (General Restrictions on Transfers) above, including the requirement that any Transferee enters into a joinder agreement pursuant to Section 7.1(iii) above, a Stockholder may Transfer its Securities , as approved by the prior written consent of the Board.

7.5 ***Tag-along Right.***

(i) **Participation on Sale of Stock**. This Section applies to:

(a) a Tag-along Sale; or

(b) in relation to the Hayfin Warrantholders acting as Tagging Stockholders only (if such event is not a Tag-along Sale, a "**Founder Tag-along Event**"):

(1) a Founder Sale that results in a reduction of the Founders' share in the Company's Diluted Share Capital by at least 20% of their aggregate shareholding as at the Founder Share Reference Date; or

(2) a Founder Sale and/or Founder Dilution which, taken together, result in a reduction of the Founders' share in the Company's Diluted Share Capital by at least 50% of their aggregate shareholding as at the Founder Share Reference Date,

(a Tag-along Sale or a Founder Tag-along Event, a "**Tag-along Event**"),

each subject to any split, reclassification or exchange of stock, as applicable.

(ii) **Tagging Stockholder**. If this Section applies, (a) in the case of a Tag-along Sale, each Stockholder (other than the Selling Stockholder or any of the Founders, respectively) holding Shares or (b) in the case of a Founder Tag-along Event, the Hayfin Warrantholders only (each, a "**Tagging Stockholder**") shall be permitted to participate in such Tag-along Event on the terms and conditions set forth in this Section 7.5 (Tag-along Right).

(iii) **Tag-along Event Exceptions**. Notwithstanding anything herein to the contrary, the provisions of this Section 7.5 shall not apply to any Transfer of the Tag-along Securities that is:

(a) permitted by and made in accordance with Section 7.2;

(b) made pursuant to a Public Sale; or

(c) made, as described in Section 7.5(i), and where the Selling Stockholder has exercised its rights pursuant to Section 7.6 (Drag-along Rights).

(iv) **Tag-along Notice**.

(a) If a Tag-along Event is contemplated, the Selling Stockholder shall deliver to the Company and each Tagging Stockholder (in the case of a Founder Dilution, the Company shall deliver to each Tagging Stockholder a written notice (the "**Tag-along Notice**") of the proposed Tag-along Event at least thirty (30) days prior to the consummation of any Tag-along Event.

(b) The Tag-along Notice shall include the following information:

(1) The grounds for the Transfer constituting a Tag-along Event;

(2) Describe the Tagging Stockholders' rights hereunder in reasonable detail;

(3) The class(es) or series and applicable aggregate number of Tag-along Securities the Selling Stockholder (in the cases of a Tag-along Sale or a Founder Sale) proposes to Transfer and/or the Company (in the case of a Founder Dilution) proposes to issue;

(4) The identity of the prospective Transferee(s);

(5) The proposed date, time and location of the closing of the Tag-along Event, which shall not be less than thirty (30) days from the date of the Tag-along Notice;

(6) The purchase price per unit for each applicable class or series of Securities to be Transferred in the Tag-along Event (the "**Tag-along Securities**"), with each of the Hayfin Warrantholders having an option to receive their respective consideration in cash or cash equivalents), and the other material terms and conditions of the Transfer;

(7) An offer from the Transferee (a) to the Hayfin Warrantholders to buy all of their Securities and (b) to every other Tagging Stockholder to buy such Tagging Stockholder's Pro Rata Portion, on the terms, not less favorable than the terms of purchase of the Tag-along Securities; and

(8) A copy of any form of agreement proposed to be executed in connection therewith.

For the avoidance of doubt, if a Tag-along Event involves more than one class or series of Tag-along Securities, the Selling Stockholder (in the cases of a Tag-along Sale or a Founder Sale), or the Company (in the case of a Founder Dilution), may deliver a single Tag-along Notice to each addressee.

(v) **Exercise of Tag-along Right.**

(a) Each Tagging Stockholder may exercise its right to participate in the Tag-along Event on the terms described in the Tag-along Notice by delivering to the Company, a written notice (a "**Tag-along Exercise Notice**") stating its election to do so for each class or series of Tag-along Securities included in the Tag-along Notice no later than ten (10) days after receipt of the Tag-along Notice (the "**Tag-along Exercise Period**"). The election of each Tagging Stockholder set forth in a Tag-along Exercise Notice shall be irrevocable, and, to the extent the offer in the Tag-along Notice is accepted, such Tagging Stockholder shall be bound and obligated to consummate the Transfer on the terms and conditions set forth in this Section 7.5.

(b) Subject to Section 7.5(v)(c), if one or more Tagging Stockholders elects pursuant to a Tag-along Exercise Notice and this Section 7.5(v)(b) to participate in the Tag-along Event, the number of each applicable class or series of Tag-along Securities that the Selling Stockholder may sell in the Tag-along Event or the Company may issue (in the case of a Founder Dilution) shall be correspondingly reduced in accordance with Section 7.5(v)(d). For the avoidance of doubt, in the case of a Founder Dilution, each Tagging Stockholder will be selling its Tag-along Securities instead of the Company issuing them.

(c) Notwithstanding anything herein, if a Tag-along Event occurs, the Hayfin Warrantholders shall be entitled to sell all of their Securities to the Transferee before the Selling Stockholder(s) can Transfer the Tag-along Securities (in the cases of a Tag-along Sale or a Founder Sale), or the Company (in the case of a Founder Dilution) can issue any Tag-along Securities to the Transferee.

(d) The Selling Stockholder and each Tagging Stockholder timely electing to participate in the Tag-along Event pursuant to Section 7.5(v)(a) shall have the right to Transfer in the Tag-along Event the number of Shares, equal to the product of (A) the aggregate number of Tag-along Securities set out in the applicable Tag-along Notice and (B) such Tagging Stockholder's Pro Rata Portion (the "**Tag-along Pro Rata Portion**"). Where a Tagging Stockholder holds several classes or series of Securities, this Stockholder shall sell the proportions of the classes or series of such Securities as close to the proportions of the classes or series of Tag-along Securities as possible; *provided that* it is not possible for any Tagging Stockholder to participate in the Tag-along Event by Transferring Securities of the relevant class or type in the same proportions as the Tag-along Securities, the Tagging Stockholder shall include (i) to the extent possible only Securities of the same class or series as the Tag-along Securities and (ii) otherwise Securities of all the classes or series held by such Tagging Stockholder in proportion to the Tagging Stockholder's holdings. Any Tagging Stockholder may elect to sell in the Tag-along Event less than the number of Securities calculated pursuant to this Section 7.5(v)(d) for any particular class or series of the Tag-along Securities.

(vi) **Remaining Tag-along Stock**. If any Tagging Stockholder either declines to exercise its right to participate in any Tag-along Event under Section 7.5(v) or elects to exercise it with respect to less than its full Tag-along Pro Rata Portion, the Selling Stockholder shall be entitled to Transfer or the Company shall be entitled to issue (as the case may be) in the Tag-along Event the remaining shares of each class or series of Tag-along Securities that the Tagging Stockholders have not elected to sell (such shares, the "**Remaining Tag-along Securities**").

(vii) **Waiver**. Each Tagging Stockholder who does not deliver a Tag-along Exercise Notice in compliance with Section 7.5(v)(a) or who elects to exercise it with respect to less than its full Tag-along Pro Rata Portion shall be deemed to have waived all of such Tagging Stockholder's rights to participate in the Tag-along Event with respect to its Tag-along Pro Rata Portion, and the Selling Stockholder shall (subject to the rights of any other participating Tagging Stockholder) thereafter be free to sell to the prospective Transferee pursuant to Section 7.5(xi), at any time within 60 days of the Tag-along Notice, the Tag-along Securities and any Remaining Tag-along Securities, as applicable, identified in the Tag-along Notice at a per share price for each class or series of such Tag-along Securities that is no greater than the applicable per share price set forth in the Tag-along Notice and on other terms and conditions which are not in the aggregate materially more favorable to the Selling Stockholder than those set forth in the Tag-along Notice, without any further obligation to the non-accepting Tagging Stockholders.

(viii) **Conditions of Sale.**

(a) Each Stockholder participating in the Tag-along Event shall receive the same consideration (subject to each of the Hayfin Warrantholders having an option to receive

their respective consideration in cash or cash equivalents) per class or series of Tag-along Securities; *provided, that* if more than one class or series is being sold in the Tag-along Event, the aggregate consideration payable in the Tag-along Event shall be allocated among the applicable classes or series of Securities in accordance with the liquidation preferences and other priorities, if any, of the applicable classes or series of Securities as set forth in the Certificate of Incorporation. In addition, no Transfer of any Tag-along Securities by the Selling Stockholder (in the case of a Tag-along Sale or a Founder Sale) or issue of any securities by the Company (in the case of a Founder Dilution) shall occur unless the prospective Transferee simultaneously purchases the Securities elected to be sold by the Tagging Stockholders pursuant to Section 7.5(v)(a) and if any such Transfer is in violation of this Section 7.5, it shall be null and void in accordance with the provisions of Section 7.1(iv) hereof.

(b) Each Tagging Stockholder shall execute the applicable purchase agreement, if any, and shall make or provide the same basic title, capacity, authorization and non-contravention representations and warranties and indemnities in respect thereof, as the Selling Stockholder makes or provides in connection with the Tag-along Event; *provided, that* each Tagging Stockholder shall only be obligated to make representations and warranties that relate specifically to a Stockholder (as opposed to the Company and its business) with respect to the Tagging Stockholder's basic title, capacity, authorization and non-contravention representations and warranties and indemnities in respect of the applicable purchase agreement, and shall not be obligated to make any of the foregoing representations and warranties with respect to any other Stockholder or their Securities or make any other representations or warranties relating to the Company's business, the provision of which shall be the sole responsibility of the Selling Stockholder; *provided, further*, that all indemnities and other obligations in respect of the representations and warranties provided by each Tagging Stockholder shall be made by the Tagging Stockholders severally and not jointly and severally (A) with respect to breaches of representations and warranties, pro rata based on the aggregate consideration received by the Selling Stockholder and each Tagging Stockholder in the Tag-along Event, and (B) in an amount not to exceed for the Selling Stockholder or any Tagging Stockholder, the aggregate consideration received by the Selling Stockholder and each such Tagging Stockholder in connection with the Tag-along Event, as applicable, plus the amount of any consideration forfeited by the Selling Stockholder or such Tagging Stockholder, as applicable, to which it is entitled but has not yet received (including, without limitation, as a result of an escrow agreement, earn-out or similar arrangement).

(c) Each holder of then currently exercisable Stock Equivalents with respect to a class or series of Tag-along Securities proposed to be Transferred in a Tag-along Event shall be given an opportunity to convert such Stock Equivalents into the applicable class or series of Tag-along Securities prior to the consummation of the Tag-along Event and participate in such sale as holders of such class or series of Tag-along Securities.

(ix) **Cooperation**. Subject to Section 7.5(viii)(c) each Tagging Stockholder shall take all actions as may be reasonably necessary to complete the Transfer of its Securities pursuant to the Tag-along Event.

(x) **Fees and Expenses**. The Selling Stockholder shall be solely responsible for paying its fees and expenses incurred in connection with a Tag-along Event and the participating Tagging Stockholders shall not be obligated to reimburse any part thereof or make any out-of-pocket expenditure prior to the consummation of the Tag-along Event.

(xi) **Consummation of Sale**. Subject to the requirements and conditions of this Section 7.5 and the other applicable provisions of these bylaws, including Section 7.1 hereof, the Selling Stockholder (in the cases of a Tag-along Sale or a Founder Sale) and/or the Company (in the case of a Founder Dilution) shall have sixty (60) days following the expiration of the Tag-along Exercise Period in which to consummate the Tag-along Event, on terms not more favorable to the Selling Stockholder (in the cases of a Tag-along Sale or a Founder Sale) and/or the Company (in the case of a Founder Dilution) than those set forth in the Tag-along Exercise Notice (which 60-day period may be extended for a reasonable time not to exceed ninety (90) days). If at the end of such period the Selling Stockholder (in the cases of a Tag-along Sale or a Founder Sale) and/or the Company (in the case of a Founder Dilution) has not completed the Tag-along Event, the Selling Stockholder (in the cases of a Tag-along Sale or a Founder Sale) and/or the Company (in the case of a Founder Dilution) may not then effect a Transfer or issue (as applicable) of the Tag-along Securities that is subject to this Section 7.5 without again fully complying with the provisions of this Section 7.5. At the closing of the Tag-along Event, each of the Tagging Stockholders timely electing to participate in the Tag-along Event pursuant to Section 7.5(v)(a) shall enter into the agreements and deliver the certificates and instruments, in each case, required by Sections 7.5(viii) and 7.5(ix) against payment therefor directly to the Tagging Stockholder of the portion of the aggregate consideration to which each such Tagging Stockholder is entitled in the Tag-along Event in accordance with the provisions of this Section 7.5.

7.6 ***Drag-along Rights***

(i) **Participation**. If any Stockholder or a group of Stockholders (in each case such Stockholder(s), the "**Dragging Stockholder**") Transfers at arm's length to a bona fide third party and not to an existing Stockholder all of their Securities constituting at least fifty percent (50%) of the votes of all the Shares on a Company's Diluted Share Capital (a "**Drag-along Sale**"), the Dragging Stockholder in order to effect Transfer of all outstanding Securities shall have the right, after delivering the Drag-along Notice in accordance with Section 7.6(iii) and subject to compliance with Section 7.6(iv), to require that each other Stockholder (each, a "**Dragged Stockholder**") participate in such Drag-along Sale (including, if necessary, by converting or exercising or waiving (at the Dragged Stockholder's discretion) their Stock Equivalents into the Shares to be sold in the Drag-along Sale) by selling all of their Shares and Stock Equivalents (the "**Dragged Securities**") on substantially the terms and conditions as set forth in the applicable Drag-along Notice and in the manner set forth in Section 7.6(ii).

The Drag-along Notice shall make reference to the Dragging Stockholders' rights and obligations hereunder and shall describe in reasonable detail:

(b) Subject to Section 7.6(iv)(a) and each of the Hayfin Warrantholders having an option to receive their respective consideration in cash or cash equivalents, the consideration to be received by each Dragged Stockholder shall be of the same form and amount as consideration to be received by the Dragging Stockholder per Share or Stock Equivalent relating to each applicable class or series of Capital Stock and the terms and conditions of such sale shall be the same as those upon which the Dragging Stockholder sells its Capital Stock; *provided, that* this Section 7.6(iv)(b) condition shall be deemed satisfied even if certain Stockholders (including the Dragging Stockholder but excluding the Hayfin Warrantholders unless they elect otherwise) receive securities of the Transferee in the Drag-along Sale, so long as the Dragging Stockholder and each Dragged Stockholder receive the same value (as determined in good faith by the Board), whether in cash or such securities, as of the closing of the Drag-along Sale with respect to each such Dragged Stockholder's Dragged Securities; and

(c) Each Dragged Stockholder shall execute the applicable purchase agreement, if any, and shall make or provide the same basic title, capacity, authorization and non-contravention representations and warranties and indemnities in respect thereof, as the Dragging Stockholder makes or provides in connection with the Drag-along Sale; *provided, that* each Dragged Stockholder shall only be obligated to make representations and warranties that relate specifically to a Stockholder (as opposed to the Company and its business) with respect to the Dragged Stockholder's basic title, capacity, authorization and non-contravention representations and warranties and indemnities in respect of the applicable purchase agreement, and shall not be obligated to make any of the foregoing representations and warranties with respect to any other Stockholder or their Securities or make any other representations or warranties relating to the Company's business, the provision of which shall be the sole responsibility of the Dragging Stockholder; *provided, further*, that all indemnities and other obligations in respect of the representations and warranties provided by each Dragged Stockholder shall be made by the Dragged Stockholders severally and not jointly and severally (A) with respect to breaches of representations and warranties, pro rata based on the aggregate consideration received by the Dragging Stockholder and each Dragged Stockholder in the Drag-along Sale, and (B) in an amount not to exceed for the Dragging Stockholder or any Dragged Stockholder, the aggregate consideration received by the Dragging Stockholder and each such Dragged Stockholder in connection with the Drag-along Sale, as applicable, plus the amount of any consideration forfeited by the Dragging Stockholder or such Dragged Stockholder, as applicable, to which it is entitled but has not yet received (including, without limitation, as a result of an escrow agreement, earn-out or similar arrangement). No Dragged Stockholder shall be required to (x) amend, extend, enter into or terminate, or waive or supplement any terms of, any contractual or commercial relationship, arrangement or agreement in connection with the Drag-along Sale, (y) become subject to any new or additional restrictive covenants (including any non-competition or non-solicitation covenants) unless such Dragged Stockholder is an employee of the Company, or (z) provide a general release of claims, except for a general release of claims that ties solely to such Dragged Stockholder's potential claims as a holder of Capital Stock sold in such Drag-along Sale.

(ii) such inability becomes known to the Secretary or an Assistant Secretary of the Company or to the transfer agent, or other person responsible for the giving of notice.

However, the inadvertent failure to treat such inability as a revocation shall not invalidate any meeting or other action.

Any notice given pursuant to the preceding paragraph shall be deemed given:

The Company shall be required to indemnify a person in connection with a Proceeding initiated by such person only if the Proceeding was authorized by the Board.

12.2 ***Indemnification of Others***

The Company shall have the power to indemnify and hold harmless, to the extent permitted by applicable law as it presently exists or may hereafter be amended, any employee or agent of the Company who was or is made or is threatened to be made a party or is otherwise involved in any Proceeding by reason of the fact that he or she, or a person for whom he or she is the legal representative, is or was an employee or agent of the Company or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, enterprise or non-profit entity, including service with respect to employee benefit plans, against all liability and loss suffered and expenses reasonably incurred by such person in connection with any such Proceeding.

12.3 ***Prepayment of Expenses***

The Company shall pay the expenses incurred by any officer or director of the Company, and may pay the expenses incurred by any employee or agent of the Company, in defending any Proceeding in advance of its final disposition; *provided* that the payment of expenses incurred by a person in advance of the final disposition of the Proceeding shall be made only upon receipt of an undertaking by the person to repay all amounts advanced if it should be ultimately determined that the person is not entitled to be indemnified under this Article XII or otherwise.

12.4 ***Determination; Claim***

If a claim for indemnification or payment of expenses under this Article XII is not paid in full within sixty days after a written claim therefor has been received by the Company the claimant may file suit to recover the unpaid amount of such claim and, if successful in whole or in part, shall be entitled to be paid the expense of prosecuting such claim. In any such action the Company shall have the burden of proving that the claimant was not entitled to the requested indemnification or payment of expenses under applicable law.

12.5 ***Non-Exclusivity of Rights***

The rights conferred on any person by this Article XII shall not be exclusive of any other rights which such person may have or hereafter acquire under any statute, provision of the certificate of incorporation, these bylaws, agreement, vote of stockholders or disinterested directors or otherwise.

The Company may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Company, or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Company would have the power to indemnify him or her against such liability under the provisions of the DGCL.

12.7 ***Other Indemnification***

The Company's obligation, if any, to indemnify any person who was or is serving at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, enterprise or non-profit entity shall be reduced by any amount such person may collect as indemnification from such other corporation, partnership, joint venture, trust, enterprise or non-profit enterprise.

12.8 ***Amendment or Repeal***

Any repeal or modification of the foregoing provisions of this Article XII shall not adversely affect any right or protection hereunder of any person in respect of any act or omission occurring prior to the time of such repeal or modification.

Article XIII AMENDMENTS

These bylaws may be adopted, amended or repealed by a majority of the stockholders entitled to vote. However, the Company may, in its certificate of incorporation, confer the power to adopt, amend or repeal bylaws upon the directors. The fact that such power has been so conferred upon the directors shall not divest the stockholders of the power, nor limit their power to adopt, amend or repeal bylaws.

The provisions of Article VII and Section 9.1 (Qualified Stock Equivalent Holder and Hayfin Warrantholders' Rights) can only be amended with a Warrantholder Consent (as defined in each Hayfin Warrant Instrument) and a written consent of the holders of at least 75% of Stock Equivalents.
