REF: GAP Multistrategy One (the "Compartment")

Dear Madam, Sir,

With reference to the GAP Multistrategy One Notes issued by H-Securitisation S.C.S.p (the "**Issuer**") in respect of the Compartment, pursuant to the Final Terms dated 3 December 2025 and with Issue Date on 7 December 2025 (the "**Notes**"), we hereby wish to formalize the following operational agreement between Global Alternative Platform SPC Ltd acting on behalf of GAP Multi-Strategy Fund One - Segregated Portfolio Eleven ("**GAP**") and Boundless S.à r.l. ("**Boundless**"), acting as general partner of the Issuer.

1. Monthly confirmation of Maintenance Fee coverage

Exclusively during the first year following the Issue Date (i.e. from 7 December 2025 to 6 December 2026) and on a monthly basis, by no later than the last business day of each month, GAP must confirm in writing to Boundless at the mail address operations@yooro.io the amount of Maintenance Fee (as defined under *44. Maintenance Fee* in the Final Terms of the Notes) that GAP decides to take charge of for such month, whether in full or in part, on behalf of the Compartment, and to pay directly to Boundless.

It is agreed that the Maintenance Fee accrual for the corresponding month will be duly calculated and communicated by Boundless to GAP by no later than 5 (five) days prior to the last business day of each month.

It is also agreed that, in case GAP fails to confirm in writing to Boundless within the agreed timeframe the amount of Maintenance Fee it wishes to take charge of for any month, then such amount will be considered to be zero, and the Compartment will be charged the entire Maintenance Fee accrual for such month.

2. Treatment of differences and allocation to the Compartment

Following GAP's monthly confirmation to Boundless, it is agreed that:

- Boundless will charge the Compartment, at the end of each month during the first year following the Issue Date, only the difference between the Maintenance Fee calculated in respect of such month, and the amount that GAP has decided to take charge of as per

above. It is understood that, if GAP takes charge of the full Maintenance Fee calculated for the corresponding month, then no charge will be brought by Boundless to the Compartment;

- GAP will pay to Boundless, within 5 (five) business days from the end of the corresponding month, the agreed amount it had confirmed in writing to be taking charge of for such month.

3. No waiver of rights under the Final Terms

Nothing in this side letter shall amend, alter, or waive any provision of the Final Terms or the Base Memorandum governing the Notes. This side letter regulates only the operational mechanism for the optional monthly assumption by GAP of part or the entirety the Maintenance Fee during the first year from the Issue Date.

Yours faithfully.
