Article 1 Loan

1. The Lender undertakes to grant to the Borrower a loan in the aggregate principal amount of up to EUR 10,000,000 (ten million euros) (hereinafter referred to as the "***Loan***"), and the Borrower undertakes to repay the drawdown amount under the ***Loan*** (in principal and interest) to the Lender, in accordance with the terms and conditions of this Agreement on the Maturity Date (as below defined).
2. Provided no Event of Default (as below defined) occurred or is continuing, the Borrower may at any time during the terms of this Agreement, request the Lender for withdrawal under the Loan by giving to the Lender with at least 15 days prior written notice (the "***Drawdown Request***") in the form set out in the Schedule 1 to this Agreement or in such other form as may be acceptable to the Lender. The Drawdown Request shall specify the purposes, as detailed under para 5 below, for which the advance ("***Advance***") will be utilized, the date upon which such advance is to be made ("***Drawdown Date***") and the amount of the Advance (which shall relate to the amounts stated in respect of the purpose(s) applicable for which the Advance will be utilized. Each portion of the Loan so requested to be withdrawn by the Borrower and which the Borrower is entitled to receive, shall be advanced on the Drawdown Date which shall be at least five (5) business days after the Lender receiving the Borrower's Drawdown Request, by wire transfer thereof to any of Borrower's bank accounts specified in the Drawdown Request.
3. The obligation of the Lender to grant the Loan and each requested Advance to the Borrower is subject to the condition precedent that the Lender shall have received, in form and substance satisfactory to it, the following documents:

    a. Execution of this Agreement; and

    b. the Borrower resolutions authorizing the execution and delivery of this Agreement and the other documents to which it is a party; and

    c. the Lender having received proceeds from the issuance of notes instruments at least equal to the sum of 500% (five hundred percent) of the requested Advance and of any cash reserve the Lender must reasonably retain in order to meet its payment obligations during the tenor of the notes instruments.
4. The Borrower shall use proceeds of the Loan for investment purposes. The Lender shall have no responsibility with respect to the use of the Loan by the Borrower.

Article 2 Loan Term and Interest

1. Subject to Articles 3 and 6 of this Agreement, the duration of the Loan is from the Signing Date until the 1st November 2027 (the "**Maturity Date**"). On the Maturity Date all the Advances, the accrued and unpaid interest thereon, and all other obligations relating to the Loan shall be immediately due and payable.
2. The Loan will bear interest at a fixed rate of 9.5% (nine point five per cent) per annum from the relevant Drawdown Date for each Advance indicated in the Drawdown Request and calculated based on the actual number of days elapsed, on the basis of a 365-day year.
3. Interests are due and payable on the Maturity Date together with the outstanding principal amount of the Loan.

Article 3 Representations and warranties of the Borrower

1. The Borrower makes the following representations and warranties as of the Signing Date to the Lender:

a) **Organization**. Borrower (a) is duly organized and validly existing in good standing under the laws of Luxembourg, (b) is duly qualified to do business in each jurisdiction in which the nature of its business makes such qualification necessary, (c) has the requisite power and authority to carry on its business as now being conducted, and (d) has the requisite power to execute and deliver, and perform its obligations under, this Agreement.

b) **Authorization**. The execution and delivery by Borrower of this Agreement, the Borrower's performance of its obligations (a) have been duly authorized by all requisite action on the part of Borrower, (b) will not violate any provision of any applicable law, and (c) will not be in conflict with, result in a breach of, or constitute (with due notice or lapse of time or both) a default under, or result in the creation or imposition of any security of any nature whatsoever upon any of the property or assets of Borrower pursuant to, any indenture or agreement or instrument. Except for those obtained or filed on or prior to the Signing Date, Borrower is not required to obtain any consent, approval or authorization from, or to file any declaration or statement with, any governmental authority in connection with or as a condition to the execution, delivery or performance of this Agreement. This Agreement has been duly executed and delivered by Borrower.

c) **Enforceability**. This Agreement executed by Borrower in connection with the Loan is the legal, valid and binding obligations of Borrower, enforceable against Borrower in accordance with their terms, subject only to bankruptcy, insolvency and other limitations on creditors' rights generally and to equitable principles.

d) **Litigation**. There are no actions, suits or proceedings at law or in equity by or before any governmental authority or other agency now pending and served or, to borrower's knowledge, threatened in writing, involving or concerning the Borrower that would reasonably be expected to have a Material Adverse Effect. For the purpose of this Agreement d) and this Agreement "*Material Adverse Effect*" means a material adverse effect (a) upon the ability of Borrower to perform, or of Lender to enforce, this Agreement or (b) of the value of the Borrower's assets or (c) (c) the validity or enforceability of, or the effectiveness or ranking of any security interest granted or purported to be granted pursuant to this Agreement.

e) **Full and Accurate Disclosure**. No statement of fact made by or on behalf of Borrower in this Agreement or in any other document or certificate delivered to Lender by Borrower contains any untrue statement causing a Material Adverse Effect. There is no fact presently known to Borrower which has not been disclosed to Lender which has a Material Adverse Effect. Since the delivery of such data, except as otherwise disclosed in writing to Lender, there has been no material adverse change in the financial position of Borrower, or in the results of operations of Borrower. Borrower has not incurred any obligation or liability, contingent or otherwise, not reflected in such financial data which might materially adversely affect its business operations.

f) **Compliance**. To Borrower's knowledge, the Borrower complies in all material respects with all applicable laws.

g) **Compliance with Anti-Terrorism, Embargo, Sanctions and Anti-Money Laundering Laws**. The Borrower, and to the Borrower's knowledge, each person owning a direct or indirect interest in the Borrower: (i) is not currently identified on the consolidated list of persons, groups and entities subject to EU financial sanctions; (ii) is not a person subject to any trade restriction, trade embargo, economic sanction, or other prohibition under any applicable law.

h) **Organizational Chart**. The organizational chart attached hereto as Exhibit A is true, complete and correct on and as of the date hereof. No person other than those persons shown on Exhibit A has any ownership interest in, or right of control, directly or indirectly, in the Borrower.

i) **Solvency; Fraudulent Conveyance**. **The** Borrower (i) has not entered into this Agreement with the actual intent to hinder, delay, or defraud any creditor, and (ii) has received reasonably equivalent value in exchange for its obligations under this Agreement. The fair saleable value of Borrower's assets is and will, immediately following the execution and delivery of this Agreement, be greater than Borrower's total liabilities (including the maximum amounts of its subordinated, unliquidated, disputed, or contingent liabilities or its debts as such debts become

absolute and matured). The Borrower's assets do not and will not, immediately following the execution and delivery of this Agreement, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. The Borrower does not intend to, and does not believe that it will, incur debts and liabilities (including, without limitation, contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amount to be payable on or in respect of obligations of the borrower).

2. The above representations and warranties are made on the Signing Date and are deemed to be repeated on date of each Drawdown Request.

Article 4 Covenants

1. The Borrower covenants and agrees that, from the Signing Date and until payment in full of the principal and interests under the Loan:

   a) **Compliance with Legal Requirements; Impositions and Other Claims; Contests.** (a) Borrower shall do all things necessary to preserve, renew and keep in full force and effect its existence, rights, licenses, permits and franchises necessary for the conduct of its business and comply in all respects with all applicable laws, contracts, permits, and private covenants, conditions and restrictions that at any time apply to the Borrower. The Borrower shall notify the Lender promptly of any written notice or order that the Borrower receives from any governmental authority relating to Borrower's failure to comply with such applicable laws that would reasonably expected to have a Material Adverse Effect; (b) the Borrower shall pay all impositions and insurance premiums with respect to itself in accordance with the terms hereof.

   b) **Financial and Other Reporting.** (a) The Borrower shall keep and maintain or shall cause to be kept and maintained, on a fiscal year basis, in accordance with the applicable GAAP, books, records and accounts reflecting in reasonable detail all of the financial affairs of Borrower; (b) Borrower shall furnish to Lender annually within one hundred twenty (120) days following the end of each fiscal year a true, complete, correct and accurate copy of Borrower's unaudited financial statement for such period, including a statement of operations (profit and loss), a statement of cash flows, a calculation of net operating income, a balance sheet, an aged accounts receivable report and such other information or reports as shall be reasonably requested by Lender. (c) the Borrower shall give prompt written notice to Lender of any litigation or governmental proceedings pending or threatened in writing involving Borrower which is reasonably likely to have a Material Adverse Effect. All financial statements and other documents to be delivered pursuant to this Agreement shall (A) be in form as previously provided to Lender (or comparable form), (B) be prepared in accordance with the applicable GAAP.

   c) **Place of Business; State of Organization.** Borrower shall not change its (a) principal place of business or place where its books and records are kept, or (b) the jurisdiction in which it is organized, in each case without giving Lender at least thirty (30) days' prior written notice thereof and promptly providing Lender such information as Lender may reasonably request in connection therewith.

Article 5 Security on First Demand

1. Upon the Lender's first written demand, the Borrower shall immediately grant and perfect a security interest in favor of the Lender over all of the limited partners interests at that time issued or to be issued in the near future by the Borrower ("**LP Interests**"), as security for the full and timely repayment of all obligations under this Agreement, including principal, interest, and any applicable fees or costs.
2. The Borrower undertakes to:

a. Execute and deliver any security agreements, share pledge agreements, or other documentation as required by the Lender to perfect its security interest in the LP Interests, in a form acceptable to the Lender;

b. Take all actions necessary to ensure that the Lender's security interest in the LP Interests is valid, enforceable, and ranks first in priority under applicable law; and

c. Provide evidence satisfactory to the Lender that such security interest has been properly perfected within 5 days of the Lender's demand.

3. The Borrower covenants and agrees that it shall not, without the prior written consent of the Lender, create, permit, or suffer to exist any other security interest, lien, or encumbrance over the LP Interests.

Article 6 Events of Default – Acceleration

1. Each of the following events is an "Event of Default" (irrespective of whether the Borrower is at fault or not):

   a) the Borrower fails to pay any amount owed to the Lender under this Agreement (whether in principal, interest, costs or otherwise) when it is due or pay any other amount payable within 10 (ten) business days after written notice from the Lender (provided such notice and cure period shall not apply to the payment due on the Maturity Date); or

   b) the Borrower fails to comply with any other obligations under this Agreement, unless such failure is remedied to the satisfaction of the Lender within 20 (twenty) days after notice of such failure is given to the Borrower by the Lender;

   c) if the Borrower (i) makes an assignment for the benefit of creditors, (ii) has a receiver, liquidator or trustee appointed for it, (iii) is adjudicated as bankrupt or insolvent, or if any petition for bankruptcy, reorganization or arrangement pursuant to the applicable bankruptcy law or any similar law shall be filed by the Borrower or against, consented to, solicited by, or acquiesced in by it, or (iv) has any proceeding for its insolvency, dissolution or liquidation instituted against it (any of the foregoing in clauses (i) through (iv), an "**Insolvency Action**"); provided, however, that if such Insolvency Action was involuntary and not consented to by the Borrower, or allegedly filed against the Borrower for vexatory reasons or otherwise, such Insolvency Action shall not be an Event of Default unless the same is not discharged, stayed or dismissed within ninety (90) days after the filing or commencement thereof; or

   d) Failure by the Borrower to comply with clause 6 within the specified time frame.

2. At any time upon the occurrence of an Event of Default, without prejudice to any other rights available to the Lender at law or under this Agreement, the Lender shall have the right (but not the obligation), with effect after 10 (ten) business days after written notice from the Lender:

   a) to terminate this Agreement with immediate effect; and/or

   b) to require the immediate repayment of the Advances under the Loan (including all accrued interest) and to declare immediately due and payable any other amounts owed by the Borrower under this Agreement;

   c) enforce the security granted under the terms of clause 6 of this Agreement;

   d) To exercise all or any one or more of the rights, powers and other remedies available to Lender against the Borrower under this Agreement, or at law or in equity at any time and from time to time (including the right to accelerate and declare the outstanding indebtedness to be immediately due and payable), whether or not all or any portion of the indebtedness shall be declared due and payable, and whether or not the Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under this Agreement.

3. The rights, powers and remedies of the Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singly, concurrently or otherwise, at such time and in such order as Lender may

determine in Lender's discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of any Event of Default shall not be construed to be a waiver of any subsequent Event of Default or to impair any remedy, right or power consequent thereon.

4. Immediately upon becoming aware of the occurrence or likely occurrence of any Event of Default, the Borrower shall notify the Lender, but failure to give notice shall not affect any right of the Lender under this Agreement.
5. If Borrower fails to perform any covenant or obligation contained herein for a period of 10 (ten) business days after Borrower's receipt of notice thereof from Lender, without in any way limiting Article 4.1, the Lender may, but shall have no obligation to, perform, or cause performance of, such covenant or obligation, and the expenses of the Lender incurred in connection therewith shall be payable by Borrower to the Lender upon demand.

Article 7 Payments

1. The Borrower shall pay any amounts owed under this Agreement (whether in principal or interest)
   i. in Euro;
   ii. in full without any set-off; and
   iii. in immediately available funds to the bank account held by the Lender and communicated to the Borrower.

2. Any amount paid by the Borrower under this Agreement and actually received by the Lender shall be allocated in the following order:
   a) First, in payment of any interest due and payable under this Agreement;
   b) Second, in payment of any Advance due and payable under this Agreement.

Article 9 Costs

1. Each Party bears its own costs and expenses incurred in connection with the negotiation and execution of this Agreement and the granting of the Loan, including without limitation the fees paid to their respective consultants.

Article 10 Miscellaneous

1. **Entire Agreement.** This Agreement constitutes the entire agreement between the Parties with respect to its subject matter and supersedes all prior agreements between the parties with respect to its subject matter.
2. **Severability.** If any provision of this Agreement is held to be invalid or unenforceable for any reason, the parties shall replace it by a substitute provision that achieves to the fullest extent possible the same legal and economic purposes as those of the invalid or unenforceable provision. In any event, the remainder of this Agreement shall remain in full force and effect between the parties.
3. **Assignment.** The Lender solely may transfer this Agreement, or assign in whole or in part its rights or obligations under this Agreement, with 10 (ten) business days prior written notice to the Borrower.
4. **Notices.** Any notice or other communication made in connection with this Agreement shall be in writing and in English and shall be sent by registered mail to the other party at the addresses listed above; or to such other address as each party may notify from time to time in accordance with this clause.

5. **Amendment.** This Agreement may be amended only by a written instrument duly signed by the parties.

6. **No waiver.** The failure of a party to exercise, or the delay in exercising, any of its rights under this Agreement shall not be construed as a waiver of such right and shall not prevent or restrict the subsequent exercise of such right. A waiver of any breach of this Agreement shall be valid only if made in writing and, in any event, shall not be construed as a waiver of any other prior or subsequent breach.

7. **Confidentiality.** At any time during the term of this Agreement and after its termination for whatever reason, each party shall keep strictly confidential this Agreement and all information and documents concerning the other party received in connection with this Agreement (hereinafter referred to as the "Information") and shall not disclose any Information to any third party, except to the extent that:

   a) the disclosure of Information is necessary to exercise its rights or comply with its obligations under this Agreement;

   b) the disclosure of Information is required by law or by an enforceable order issued by a competent judicial, arbitral, governmental or regulatory body;

   c) the Information is, or has become, publicly available (other than through a breach of this Agreement);

   d) a party disclosed the Information to its auditors, legal or financial advisers or other professional advisers on a need-to-know basis and provided that such advisers are bound by a similar confidentiality obligation.

8. **No partnership.** The parties expressly acknowledge that this Agreement does not constitute, nor shall it be construed as, a partnership agreement or any other similar arrangement.

9. **Applicable law.** This Agreement shall be governed exclusively by the laws of Luxembourg.

10. **Jurisdiction.** Any dispute in relation to this Agreement shall be submitted to the exclusive jurisdiction of the applicable Luxembourg courts.

11. **Survival.** This Agreement and all covenants, agreements, representations and warranties made herein and in each Drawdown Request delivered pursuant hereto shall survive the execution and delivery of this Agreement and shall continue in full force and effect so long as any portion of the Loan is outstanding and unpaid; Whenever in this Agreement any of the Parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such Party. All covenants, promises and agreements in this Agreement contained, by or on behalf of the Borrower, shall inure to the benefit of the respective successors and assigns of the Lender. Nothing in this Agreement, express or implied, shall give to any person other than Borrower and its legal representatives, successors and assigns, any benefit or any legal or equitable right, remedy or claim hereunder.

12. **Lender's Discretion.** Whenever pursuant to this Agreement, the Lender exercises any right, option or election given to the Lender to approve or disapprove, or consent or withhold consent, or any arrangement or term is to be satisfactory to the Lender or is to be in the Lender's discretion, the decision of the Lender to approve or disapprove, consent or withhold consent, or to decide whether arrangements or terms are satisfactory or not satisfactory or acceptable or not acceptable to the Lender in the Lender's discretion, shall (except as is otherwise specifically herein provided) be in the sole and absolute discretion of the Lender.

13. **Modification, Waiver in Writing.** No modification, amendment, extension, discharge, termination or waiver of any provision of this Agreement, or consent to any departure by the Borrower therefrom, shall in any event be effective unless the same shall be in a writing signed by the Party against whom enforcement is sought, and then such waiver or consent shall be effective only in the specific instance, and for the purpose, for which given. Except as otherwise expressly provided herein, no notice to or demand on the Borrower shall entitle the Borrower to any other or future notice or demand in the same, similar or other circumstances.

14. **Headings.** The Article headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

15. **Waiver of Notice.** The Borrower shall not be entitled to any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement specifically and expressly provide for the giving of notice by the Lender to the Borrower and except with respect to matters for which

the Borrower is not, pursuant to applicable law, permitted to waive the giving of notice. The Borrower hereby expressly waives the right to receive any notice from the Lender with respect to any matter for which this Agreement does not specifically and expressly provide for the giving of notice by the Lender to the Borrower.

16. **Exhibits Incorporated.** The information set forth on the cover, heading and recitals hereof, and the Exhibits attached hereto, are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

17. **Waiver of Counterclaim.** The Borrower hereby waives the right to assert a counterclaim, other than compulsory or mandatory counterclaim, in any action or proceeding brought against Borrower by Lender or Lender's agents.

18. **Construction of Documents.** The Parties acknowledge that they were represented by counsel in connection with the negotiation and drafting of this Agreement and that such documents shall not be subject to the principle of construing their meaning against the Party which drafted same.

19. **Counterparts.** This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument.

20. **Liability and Indemnification.** The Lender shall not be liable for any loss sustained by the Borrower resulting from any act or omission of the Lender unless and to the extent such loss was caused by the fraud, gross negligence, material breach, or wilful misconduct of the Lender. The Borrower shall indemnify and hold the Lender harmless against any and all losses, and reimburse it for any reasonable costs and expenses incurred, in connection with, arising out of or as a result of (i) the transactions and matters referred to or contemplated by this Agreement.

21. **Time of the Essence.** Time shall be of the essence in the performance of all obligations of the Borrower and of the Lender hereunder and under each of this Agreement.

22. **Taxes.** All payments made under this Agreement shall be subject to reduction to reflect taxes or other charges required to be withheld by law. In the event of the passage of any law subsequent to the Signing Date in any manner changing or modifying the rules now in force governing the taxation of mortgages or security agreements or debts secured thereby or the manner of collecting such taxes so as to adversely affect the Lender the Borrower will pay any such tax on or before the due date thereof. In the event Borrower is prohibited by any applicable law from assuming liability for payment of any such taxes or from paying any other Imposition, the outstanding principal shall, at the option of the Lender, become due and payable on the date that is one hundred twenty (120) days after the Lender provides notice to the Borrower of such change in law and its election to accelerate the Maturity Date; and failure to pay such amounts on the date due shall be an Event of Default.

23. **Further Assurances.** The Borrower shall execute and deliver to the Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary, to (a) evidence, preserve and/or protect the Borrower's assets, where applicable, at any time securing or intended to secure the Loan, where applicable, and/or (b) enable the Lender to perfect, exercise and enforce Lender's rights and remedies under this Agreement, as the Lender shall require from time to time in its discretion.

24. **Attorneys' Fees.** In the event any dispute should result in litigation (including but not limited to actions for enforcement or interpretation), the prevailing Party shall be reimbursed for all reasonable costs incurred in connection with such litigation, including, without limitation, reasonable attorneys' fees.
