PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU ("**MiFID II**"); or (ii) a customer within the meaning of Directive 2016/97/EU (as amended, the "**Insurance Distribution Directive**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129, as amended (the "**Prospectus Regulation**"). Consequently, no key information document (the "**PRIIPs KID**") required by Regulation (EU) No 1286/2014 (the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

PROHIBITION OF SALES TO SWISS RETAIL INVESTORS – The Notes are not intended to be offered, sold, or otherwise made available to, and should not be offered, sold, or otherwise made available to, any retail investor in Switzerland. For these purposes, a retail investor means a person who is not a "**Professional Client**" within the meaning of the Swiss Financial Services Act ("**FinSA**"). Consequently, no key information document, either in the form of a "**Swiss KID**" with the format and contents outlined in Title 3, Chapter 2 of FinSA and in the Financial Services Ordinance ("**FinSO**"), or of a PRIIPs KID, formally recognised as equivalent to a Swiss KID as per Annex 10 of the FinSO, has been prepared for the offering or sale of the Notes or otherwise making them available to retail investors in Switzerland. Offering or selling the Notes, or otherwise making them available to any retail investor in Switzerland without such a Swiss KID or PRIIPs KID, may be unlawful under FinSA.

PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom ("**UK**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("**EUWA**"); (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of domestic law by virtue of the EUWA. Consequently, no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the "**UK PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

EEA MiFID II product governance / Professional investors and ECPs only target market – Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

UK MiFIR product governance / Professional investors and ECPs only target market – Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook ("**COBS**"), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("**UK MiFIR**"); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (for the purposes of this paragraph, a "**distributor**") should take into consideration the manufacturer's target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK MiFIR Product Governance Rules**") is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

Such distributions will be made in the same proportions as cash would have been distributed, based on the value of the securities or other property so distributed, which shall be determined by the Issuer based on the information and valuation provided the Fund GP (as defined below) or its delegates as being a fair valuation of such assets, as well as liabilities, of the Partnership.

> Rebel Fund II Master LP (henceforth the "**VC Fund**"), a Cayman Islands exempted limited partnership having Rebel Fund II GP, LP (henceforth the "**Fund GP**"), a Delaware limited partnership, acting as its general partner, and Rebel Management Company LLC, a Puerto Rico limited liability company, acting as its investment manager. It is to be noted that the Fund GP may form one or more pooled investment vehicles (each, a "**Fund Feeder**"), whose terms and conditions will be substantially the same as those that govern the VC Fund, except to the extent that any legal, tax, regulatory or similar conditions are applicable to the Fund Feeder and not applicable to the VC Fund, therefore the Issuer may decide at its sole and absolute discretion, and as directed by the Fund GP, to invest in the VC Fund not directly, but through one such Fund Feeder;

> short-term investments such as, but without limitation to, money market instruments, investment-grade government bonds, UCITS with daily or weekly net asset value, and monthly term deposit with credit institutions located in a reputable jurisdiction. These types of investments

are allowed exclusively on an ancillary basis and for liquidity purposes, pending any investment in the VC Fund or Fund Feeder; and

> a minimum cash reserve to provide for the expenses of the Compartment during the tenor of the Notes

(all together, the "**Unsecured Collateral**").

Investors may request free of charge from the Issuer a copy of the contractual and issuing documents of the VC Fund and/or the relevant Feeder Fund, as applicable.

The VC Fund focuses on opportunity and follow-on investments with the potential to create value for investors. It aims to generate attractive risk-adjusted returns for investors by investing primarily in seed-stage companies located in the United States of America and elsewhere on an opportunistic basis. The VC Fund will invest in such opportunities together with Rebel Fund II QP LP (the "**Parallel Fund**"), a Delaware limited partnership.

The VC Fund anticipates making USD 300,000 (three hundred thousand US dollars) to USD 500,000 (five hundred thousand US dollars) initial seed investments in Y Combinator startups and potentially select non-Y Combinator startups, with a significant reserve for follow-on portfolio investments. The VC Fund expects to make 100 (one hundred) to 150 (one hundred and fifty) initial seed investments in total.

The Fund GP shall have the right to invest any cash held by the VC Fund in short-term cash-equivalent investments, including, without limitation: (a) debt instruments issued or guaranteed by the U.S. government or its agencies or instrumentalities (or repurchase agreements covering such instruments); (b) commercial paper; (c) interest-bearing deposits in commercial banks, savings and loan associations, brokerage firms, or other financial institutions; (d) bankers' acceptances or overnight time deposits (whether or not insured); (e) money market funds; and (f) similar quality short-term investments (other than derivatives) selected by the Fund GP.

The Fund GP targets aggregate capital commitments to the VC Fund of USD 100,000,000 (one hundred million US dollars), provided, however, that the Fund GP reserves the right to accept greater than or less than

the target commitment, at its sole and absolute discretion.

The initial closing of the VC Fund (the "**Initial Closing**") will take place as soon as practicable, upon determination by the Fund GP, at its sole and sole and absolute discretion, that a sufficient amount of capital commitments has been obtained. Contributions of capital to the VC Fund will be made pursuant to capital calls, as such times, and in such amounts, as may be determined by the Fund GP, at its sole and absolute discretion, and pursuant to the terms of the VC Fund's limited partnership agreement.

The term of the VC Fund (the "**Term**") will be 10 (ten) years from the date of the Initial Closing, subject to the Fund GP's right, at its sole and absolute discretion, to extend the term for up to 1 (one) additional one-year period in order to effect an orderly liquidation of the VC Fund and, thereafter, for 1 (one) additional one-year period with prior written approval of the VC Fund's advisory board. The VC Fund may be terminated prior to the expiration of the Term by the Fund GP, with the written consent of at least a majority-in-interest of investors, or at its reasonable discretion, upon the occurrence of any event, include a change in applicable law or regulation or interpretation of either, that would make the continued existence of the VC Fund unlawful or not commercially practicable.

The term of the VC Fund (the "**Term**") will be 10 (ten) years from the date of the Initial Closing, subject to the Fund GP's right, at its sole and absolute discretion, to extend the term for up to 1 (one) additional one-year period in order to effect an orderly liquidation of the VC Fund and, thereafter, for 1 (one) additional one-year period with prior written approval of the VC Fund's advisory board. The VC Fund may be terminated prior to the expiration of the Term by the Fund GP, with the written consent of at least a majority-in-interest of investors, or at its reasonable discretion, upon the occurrence of any event, include a change in applicable law or regulation or interpretation of either, that would make the continued existence of the VC Fund unlawful or not commercially practicable.

The investment period of the VC Fund (the "**Investment Period**") commences as of the Initial Closing and will expire on the 3rd (third) anniversary thereof, unless terminated earlier in accordance with the VC Fund's limited partnership agreement,

provided that the Fund GP may extend the Investment Period for up to 1 (one) additional one-year period at its sole and absolute discretion and, thereafter, for 1 (one) additional one-year period with prior written approval of the VC Fund's advisory board. During the Investment Period, the VC Fund may make new investments, and capital may be called as necessary, desirable, or appropriate by the Fund GP, at its sole and absolute discretion.

After the Investment Period, the VC Fund may not make new investments, and capital may not be called for any new investments, except for permitted investments, as defined in the VC Fund's private placement memorandum. Capital may continue to be called for expense and liabilities of the VC Fund and reserves for such expenses and liabilities, all as deemed necessary, desirable, or appropriate by the Fund GP, at its sole and absolute discretion.

The management fee paid by the VC Fund to its appointed management will be (a) beginning at the Initial Closing and throughout the Investment Period, an amount equal to 2.5% (two and a half percent) p.a. (the "**Management Fee Rate**") of the capital committed by investors to the VC Fund and (b) beginning on the first fiscal quarter following the end of the Investment Period, and until the final liquidation and termination of the VC Fund, the Management Fee Rate will be reduced by 10% (ten percent) on an annual basis, provided that the Fund GP, at its sole discretion, may reduce the Management Fee Rate by a different percentage so that the average of the management fee throughout the life of the VC Fund equals to 2% (two percent) p.a. of the capital committed by investors to the VC Fund.

The Fund GPmay, but will not be required to, apportion, and distribute proceeds (the "**Distributable Proceeds**"), which may be made in cash, in kind or in any combination thereafter, at any time and from time to time. Distributable Proceeds means all cash receipts with respect to investments, all other cash income of the VC Fund, net of all expenses, liabilities, and reserves, and all other cash of the VC Fund that the Fund GP determines to be distributable at its sole and absolute discretion, as well as any assets of the VC Fund to be distributed in kind. All Distributable Proceeds will be distributed by the VC Fund as follows:

(i) first, 100% (one hundred percent) of any such Distributable Proceeds will be distributed to investors until they will have received distributions equal to the amount of their aggregate capital contributions;

(ii) second, 100% (one hundred percent) of any such Distributable Proceeds will be distributed to investors until they will have received distributions under this paragraph equal 8% (eight percent) p.a. of the capital contributions returned under clause (i) above;

(iii) third, 100% (one hundred percent) of any such remaining Distributable Proceeds will be distributed to the Fund GP until it has received cumulative distributions under this paragraph equal to 20% (twenty percent) of the amounts cumulatively distributed to the investors under paragraphs (ii) and this paragraph (iii);

(iv) thereafter, 80% (eighty percent) of any such remaining Distributable Proceeds made pursuant to paragraphs (i) to (iii) above, if any, will be distributed to investors, and 20% (twenty percent) of such remaining Distributable Proceeds will be distributed to the Fund GP.

The VC Fund will continue until the end of the Term or until the occurrence of any applicable termination event, as defined in the VC Fund's limited partnership agreement or private placement memorandum, upon which the VC Fund will work to effect an orderly liquidation, will provide for satisfaction of its creditors and appropriate reserves to the extent feasible, and then will distribute any remaining balance of its assets in accordance with the distribution provisions described above; provided that if the Fund GP, using commercially reasonable efforts, is not able to liquidate all of the assets of the VC Fund at fair value, then it may distribute any remaining assets in kind.

The VC Fund investors will not have any right to withdraw its capital and profits from the VC Fund. Under certain circumstances, investors in the VC Fund may be compulsorily redeemed or withdrawn from the VC Fund to the extent that the Fund GP, at its reasonable discretion, determines it to be necessary or desirable in order to comply with applicable law or regulations, or to avoid a material adverse effect on the VC Fund, the other investors, or the Fund GP.

SPECIAL PROVISONS AND COMMENTS

M. United States Federal Income Tax Considerations:	The Notes are not Specified Instruments for purposes of Section 871(m) of the U.S. Internal Revenue Code of 1986.
N. SFDR - ESG Disclosure:	The Issuer does neither promote environmental or social characteristics nor have sustainable investment as an objective. The investment decisions made for this Serie of Notes do not currently take into account Sustainability Risks (being understood as any environmental, social or governance event or condition that, if it occurs, could cause an actual or a potential material negative impact on the value of the investment, and as defined in the SFDR).
O. Other Risks Disclosures Related and Specific to the Securitisation Transaction:	Investors in the Notes should be aware that by acquiring the Notes they are exposed to specific risks linked to the Securitisation Transaction as detailed in the Base Memorandum and to the specific risks related to the Partnership, as further detailed in its private placement memorandum, and to following specific risks linked to the Underlying Assets: a) Geographic Risk: the amounts invested with the Fund or one of its Feeders will be used as venture capital to invest in entities domiciled in the United States of America. b) Litigation: whilst the Issuer carried out a proper diligence in the structuring of the Fund under the advice of Luxembourg legal counsel, as the Fund or one of its Feeders is based outside of Luxembourg, the risk, the costs and the time to

recover the amount invested in case of default of the Fund or one of its Feeders should be considered taking into account the legal system of the Fund's or Feeder's country and their legal system, rule of laws and lengthy legal procedures.

c) Concentration Risk: to the extent that its portfolio is concentrated in investments or other assets in or from a particular country, market, industry, group of industries, sector or asset class, the Compartment may be adversely affected by the performance of those assets, maybe subject to increased price volatility and may be more susceptible to adverse economic, market, political or regulatory occurrences affecting that market, industry, group of industries, sector or asset class.

d) Duplication of Fees: the Compartment shall invest in the VC Fund and therefore will be subject to the fees payable to such scheme in respect so that the Investor shall be subject to duplication of fees.

e) Venture Capital: by their very nature, venture capital investments are risky. Much of a company's success or failure depends on the management team. Venture capitalists ideally look for a company that's run by managers with a track record of success, either within the company they are giving the money to or in previous positions. Venture capitalists look for companies with high growth potential. The risk factor lies in the word "potential." Market trends can impact the growth of a company once poised for success. While entrepreneurs seeking venture capital funding may have covered all the bases they need to get their product or service on the market, every company still has barriers that must be overcome. Ultimately, venture capitalists must be able to see an end to the risk and enjoy their profits. The two most common ways of paying off angel investors are through an initial public offering and a buyout. Venture capitalists face the risks that the company managers won't be able to pull off the planned exit strategy. They may not produce enough revenue to offer the company to the public and sell shares. Smaller companies looking for a big

buyer may not be successful enough to make the grade, leaving Venture capitalists stuck.

f) Failure to Make Any Required Payment: under the terms of the offering documents of the VC Fund, if the Issuer fails to make any required payment to the VC Fund or the relevant Fund Feeder, as applicable, the Fund GP may, without limitation, apply delay penalty consisting of interests at the annual rate of 12% (twelve percent) and or declare the Issuer as a defaulting limited partner and (a) suspend such defaulting partner's distributions; (b) offset any amount owed against distributions that otherwise would be made to such defaulting partner; reduce or cause a forfeiture of the defaulting partner's interests (including any related distributions and allocations); (c) force the sale of the defaulting partner's interest; (d) cause the forfeiture of the defaulting partner's voting or approval rights, if any; and (e) reduce such defaulting partner's commitment amount. Since the Issuer cannot predict the number of Notes that shall be subscribed, it may happen that the funds received from the issuance contemplated therein shall not be sufficient to meet the commitment of Issuer with the VC Fund and therefore the penalty / consequence contemplated under this letter f) may materialize and materially jeopardize the interest of the Noteholders.

In addition, investors are recommended to read carefully the *Investor Suitability* and *Risk Factors* sections of the Base Memorandum.
