APPENDIX VII

DATA PROTECTION

In accordance with the provisions of the applicable Luxembourg data protection law, and Regulation n°2016/679 of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data and any other data protection law applicable in Luxembourg (the "**GDPR**") (altogether the "**Data Protection Laws**"), Retina and the General Partner, acting as data controllers (the "**Data Controllers**"), collect, store and process by electronic or other means the data supplied by the Applicant and/or the prospective investors or, if the Applicant or prospective investor is a legal person, by any natural person related to the Applicant or the prospective investor such as its contact person(s), employee(s), trustee(s), agent(s), representative(s) and/or beneficial owner(s) (all the natural persons referred above, the "**Data Subjects**") at the time of their subscription for the purpose of fulfilling the services required by the Applicant and complying with its legal obligations.

The data processed includes the Data Subjects' name, contact details (including postal and/or e-mail address), banking details, invested amounts in Retina (the "**Personal Data**").

The Data Subjects may, at their discretion, refuse to communicate the Personal Data to the Data Controllers. In this event however the Data Controllers may reject the application for admission as a Limited Unitholder.

Personal Data supplied by Data Subjects is processed in order to enter into and execute the subscription to Retina (i.e. to perform any pre-contractual measures as well as the contract entered into by the Data Subjects), for the legitimate interests of the Data Controllers and to comply with the legal obligations imposed on the Data Controllers. In particular, the Personal Data supplied by Data Subjects are processed for the purpose of (i) maintaining the Register; (ii) processing subscriptions, redemptions and transfers of Interests and payments of dividends or interests to Limited Unitholders; (iii) account administration, (iv) client relationship management, (v) complying with applicable anti-money laundering rules and any other legal obligations, such as maintaining controls in respect of late trading and market timing practices or CRS/FATCA obligations. In addition, Personal Data may be processed for the purposes of marketing. Each Data Subject has the right to object to the use of its Personal Data for marketing purposes by writing to the Data Controllers.

The "legitimate interests" referred to above are:

- the processing purposes described in points (iv) of the above paragraph of this data protection section; and

- exercising the business of Retina in accordance with reasonable market standards.

Personal Data may also be processed by the Data Controllers' data recipients (the "**Recipients**") which, in the context of the above mentioned purposes, refer namely to the Investment Advisor, the Auditor, the domiciliary/administrative agent, and the agent of the General Partner (if any), and any other affiliated entity, Affiliate or third party supporting the activity of Retina. The Recipients may, under their own responsibility, disclose the Personal Data to their agents and/or delegates (the "**Sub-Recipients**"), which shall process the Personal Data for the sole purposes of assisting the Recipients in providing their services to the Data Controllers and/or assisting the Recipients in fulfilling their own legal obligations. The Recipients may be located either inside or outside the European Union (the "**EU**"). Where the Recipients are located outside the EU in a country which does not ensure an adequate level of protection in regard to Personal Data, the Data Controllers are obliged to enter into legally binding transfer agreements with the relevant Recipients having the

form of the EU Commissions' approved model clauses. In this respect, the Data Subjects have a right to request copies of the relevant document for enabling the Personal Data transfer(s) towards such countries by writing to the Data Controllers. The Recipients and Sub-Recipients may, as the case may be, process the Personal Data as data processors (when processing the Personal Data upon instructions of the Data Controllers), or as distinct data controllers (when processing the Personal Data for their own purposes, namely fulfilling their own legal obligations). The Personal Data may also be transferred to third-parties such as governmental or regulatory agencies, including tax authorities, in accordance with applicable laws and regulations. In particular, Personal Data may be disclosed to the Luxembourg tax authorities, which in turn may acting as data controller, disclose the same to foreign tax authorities.

In accordance with the conditions laid down by the Data Protection Law, the Data Subjects acknowledge their right to:

- access their Personal Data;
- correct their Personal Data where it is inaccurate or incomplete;
- object to the processing of their Personal Data;
- restrict the use of their Personal Data;
- ask for erasure of their Personal Data;
- ask for Personal Data portability.

The Data Subjects may exercise their above rights by writing to the Data Controllers at the following address: 6, rue Adolphe, L-1116 Luxembourg, Grand Duchy of Luxembourg.

The Data Subjects also acknowledge the existence of their right to lodge a complaint with the *Commission Nationale pour la Protection des Données* (the "**CNPD**") at the following address: 1, Avenue du Rock'n'roll, L-4361 Esch-sur-Alzette, Grand-Duchy of Luxembourg; or with any competent data protection supervisory authority of their EU Member State of residence.

Personal Data shall not be retained for periods longer than those required for the purpose of their processing subject to any limitation periods imposed by law.
